

Stewardship 2022 FAQ

Q. What's Stewardship Season?

A. Stewardship Season is everybody's favorite time of year! From Sunday, October 24th to Consecration Sunday, November 21st we'll be talking about \$MONEYS! You heard me right—Money, money, money! In church, when we talk about money, finances, giving, and pledging, our aim is to have the discussion without the stress, without the guilt, and without the threats that can sometimes make fundraising NO FUN. Instead, we discuss our finances and our giving in a calm, non-anxious, transparent, honest, and empowering way. Over the course of the season we'll have prayers, preaching, testimonies, and other FUN activities designed to engage us in planning for how much we can pledge to the church's 2022 budget.

Q. What's pledging? How does it work?

A. Your 2022 pledge is the amount of money you're able to contribute to the church's 2022 budget. It's a promise in 2021 to contribute a set amount to the church on a regular basis in 2022. After you've figured out how much you're able to give, you fill out a pledge card and return it to the church by **November 17** so it can be blessed on **Consecration Sunday, November 21**. We'll have FUN blessing the pledge cards during worship. Then we'll hand them over to the finance team who will use the numbers to compose our 2022 budget. We'll all see that budget (and members will vote on it) at the Congregational Meeting in February.

See the opposite page for info on how you can pledge online and pay your pledge.

Q. How much is an appropriate amount to pledge?

A. Your pledge should fall somewhere in the range of \$1–\$1,000,000. Pledging is FUN for everybody! If you discern that you're able to promise one penny for 2022, then that is how much you should write on your pledge card. Give until it feels GOOD. Some people will tithe to the church—something like 5–10% of their income. Remember, we have a small endowment that helps us to maintain the church property, but the money we need to run the church, pay our staff, and fund our ministries all comes from us!

Q. Can I make my pledge online?

A. A simple-to-use online pledge form is available asking for the same information as the pledge card. Just fill in the “Your answer” lines as requested. Be sure to notice the red asterisks which indicate required items. After you click submit, you will have the opportunity to go back and change your form. After you are done, you will receive an email acknowledging your pledge.
